CUORI GENTILI

Willow Wood Memory Game

With Pinchitos, the Mole and their friends

How to prepare it: print pages 2 to 5 double-sided (card stock works best), so that every card has the heart on its back. If you print single-sided, use only pages 2 and 4. Cut along the dotted lines.
How to play: place the 24 cards face down. Take turns turning over two: if they match, keep them and go again. Whoever finds the most pairs wins!
Something to talk about: every time you find a pair, say something special about that character… or about the person playing with you.
